Mr Djordjo Vasic, born on 15th April 1961, has been working as a computer operator for Verlag Moritz Diesterweg since 18th May 1992. He requires no guidance whatsoever in his data processing work and performs his duties to our complete satisfaction.

In addition to his regular duties, he has compiled a 100-page Serbo-Croat/German glossary for *Sprachkurs Deutsch* - our textbook for German as a foreign language. His previous position as a German teacher in former Yugoslavia served him well in this capacity, where he displayed mastery of German and Serbo-Croat.

Vasic typeset and typographically revised this glossary at the computer himself. It first appeared in 1993 as a co-production between the Swiss publisher Sauerländer and Verlag Moritz Diesterweg in Germany and has received much recognition since then.

Vasic is currently working on a second volume and a teacher's manual with our editor for German as a foreign language.

Vasic has always acquitted himself in a friendly, cooperative and creative manner and has shown himself to be a very reliable worker.

We shall be sorry to see him leave.
